**NOTICE OF APPLICATION
SAN DIEGO GAS & ELECTRIC COMPANY'S REQUEST
TO INCREASE RATES AND REVENUES FOR THE
CATASTROPHIC EVENT MEMORANDUM ACCOUNT
APPLICATION FILING A.22-10-021**

WHY AM I RECEIVING THIS NOTICE?

On October 31, 2022, San Diego Gas & Electric® (SDG&E®) filed its Catastrophic Event Memorandum Account (CEMA) Application with the California Public Utilities Commission (CPUC). The application is requesting a total increase in revenue requirement of \$41.6 million.

If the CPUC approves this application, SDG&E will recover the majority of the recorded costs in electric and gas rates over a one-year period beginning January 1, 2024, or upon a final decision in this proceeding. This will impact your monthly bill.

WHY IS SDG&E REQUESTING THIS RATE INCREASE?

To recover costs incurred to restore service to customers, repair or replace damaged facilities, and comply with governmental agency orders after events declared to be disasters or state of emergencies by state or federal authorities. That includes the drought in 2014, winter storms in 2017, West Fire in 2017, Lilac Fires in 2018, winter storms in 2019, heat waves in 2020, and the COVID-19 pandemic that started in 2020.

HOW COULD THIS AFFECT MY MONTHLY ELECTRIC RATES?

If SDG&E's rate request is approved by the CPUC, the typical bundled residential monthly bill using 400 kWh per month could increase by approximately \$0.93 or 0.6% per month in 2024, compared to current rates. Individual customer bills may vary.
