

**LISTING OF LOCKSMITHS AUTHORIZED TO SELL THE
SCHLAGE RESTRICTED VTQP QUAD KEY SECTION**

GAS AND ELECTRIC METER ACCESS – In order to provide the best possible gas and electric service to all our customers, San Diego Gas & Electric (SDG&E) must have immediate 24-hour Line Truck access to our meters located on the customer’s premises. We make every effort to do our work with the least inconvenience to you, our customer.

ACCESSIBLE METER LOCATIONS – Capable of being reached quickly 24-hours a day via Line Truck for installation, reading, testing, inspection, maintenance or in the event of emergency. Locked doors and gates which SDG&E must pass through for access to our facilities must utilize the SDG&E Schlage Restricted VTQP Quad key section.

INACCESSIBLE METER LOCATIONS – A meter in a location where an SDG&E employee/agent does not have 24-hour access to install, read, test, inspect, maintain, or in the event of emergency.

Below is a list of locksmiths authorized by SDG&E to sell the Schlage Restricted VTQP Quad key section(s) that will allow SDG&E personnel access to our facilities.
