

Marianne SY

Account Executive

Marianne Sy joined the SDG&E Savings By Design team in March 2005. She holds a bachelor's degree in business administration with an emphasis in marketing and finance from the University of California, Riverside. Prior to joining the SBD program, Marianne worked for SDG&E's Major Markets department analyzing energy usage and generation for many of SDG&E's largest commercial accounts and has been instrumental in providing trainings and process improvements within the department.

Before joining SDG&E, Marianne worked in both the marketing and communication fields and at one time worked as a recruiter for New York Life. As an SBD Account Executive, Marianne works with building owners and design teams to facilitate in the development of energy efficient design for commercial projects, resulting in cash incentives and energy savings. She is a volunteer for San Diego EarthWorks and is an active allied member of AIA, San Diego Chapter.
