

San Diego Gas & Electric Company

BLACK LINE Appendix V, Appendix VII

APPENDIX V

Reliability Services Revenue Requirement

1. The Reliability Services Revenue Requirement of \$366,000 is equal to the forecast of Reliability Services payments the Participating TO will make to the ISO during the twelve Month period following the Effective Date of the Rate Schedule, the balance in the RS balancing account from the preceding year, including an adjustment for franchise fees and uncollectible accounts expense.

2. The amount in (1) shall be effective until amended by the Participating TO in accordance with Appendix VI to this Tariff.

APPENDIX VII

Reliability Must-Run Charges for End Users¹

[SEE ATTACHED]

¹ These charges represent the rates for recovery of the RMR revenue requirement.
