- [c] To make imbalance trades on Customer's behalf.

[5] ADDITIONAL TERMS AND CONDITIONS OF SERVICE

Utility and Customer agree to the following terms and conditions applicable hereto:

1. **Effective Date and Term.** Effective Date will be determined based upon execution of this contract by SDG&E (Utility). All natural gas transported under the terms and conditions of this contract shall additionally be subject to all applicable tariffs approved by the California Public Utilities Commission.

2. **Use-or-Pay Aggregation.** A customer may aggregate firm usage at multiple facilities for the purpose of determining Use-or-Pay Charges. If customer aggregates firm usage with different rates, Use-or-Pay charges shall be based on the highest transmission charge. The following list contains the SDG&E account numbers that are to be aggregated for Use-or-Pay purposes:

3. Rate Selection for Transmission Level Customers: Subject to the terms and conditions set forth in the applicable tariffs, including, but not limited to Schedule TLS, Transmission level customers are required to select from one of the following Schedule TLS rate options:

- Class-Average Volumetric Rate Option

- TLS-C-TA, Commercial/Industrial
- TLS-EG-TA, Electric Generation

- Reservation Rate Option

- Please indicate a Daily Reservation Quantity (in therms) _____

- TLS-C-TA, Commercial/Industrial
- TLS-EG-TA, Electric Generation
