

**The Building Owners and Managers Association of San Diego and the Building
Owners and Managers Association of California
DATA REQUEST NUMBER BOMA-DR01
SDG&E 2008 GRC PHASE 2 A.07-01-047
SDG&E RESPONSE DATED: 03/28/2007**

Question 1: All current workpapers and spreadsheet models related to SDG&E's GRC Ph-2 Electric Rate Design Application and Testimony that support SDG&E's calculation of marginal costs, revenue allocation, rate design, and Sales and Load forecasts. I understand that these materials are available on CD's and/or on hard copy. To the extent that CD's are all inclusive the CD version would be preferred.

SDG&E Response 1: SDG&E will send BOMA 2 copies of CDs containing non-confidential Workpapers and 2 Hardcopies of the Testimony for A.07-01-047 via FedEx. They will be shipped on March 28, 2007.

Response Prepared By: Martha Cendejas
