| The total rates presented reflect the UDC rates associated with service under Schedule DS - CARE and the generation rates associated with Schedule EECC. In addition, they include the 20% discount and exemption from the CARE surcharge identified in Schedule E-CARE. The UDC rate by rate component presented is associated with service under Schedule DS - CARE as presented in the utility's tariff book, which includes the TRAC rate component identified separately from the PPP rate component. |        |               |              |            |           |            |           |             |                  |  |                                |   |   |   |
