To be filled out by Retailer	
Place of purchase (retailer name and address): _____ Retailer name	
_____ Number and street City Zip code	
Qualifying products purchased (if insufficient space to list, use "various"):	
Amount of program discounts received:	

I, the undersigned, certify that I am a representative of the business described above ("Customer") and am authorized to execute this Customer Acknowledgement on behalf of Customer. By signing below, Customer acknowledges and agrees to the following:

1. The information described above is true, complete, and accurate.
2. The discounts received as described above has been funded by California utility ratepayers/customers and administered by San Diego Gas & Electric Company® ("SDG&E"), under the auspices of the California Public Utilities Commission ("CPUC"), pursuant to the 2017 Midstream Lighting Program (the "Program"). Additional information on the Program can be found at www.sdge.com/bizrebates. The Program may be modified or terminated at any time without prior notice.
3. The above-described products ("Qualifying Products") must be installed at the business or project site address ("Project Site") listed above no later than three (3) months following the date of purchase, and shall remain installed for at least five (5) years. If a Qualifying Product fails to meet this requirement, Customer shall return the Qualifying Product to the place of purchase.
4. The Project Site may be subject to inspection by SDG&E and/or the CPUC to confirm installation of the Qualifying Products. Customer will allow SDG&E and the CPUC (and their agents, employees, contractors, representatives and designees) access to the Project Site to conduct such inspection, upon reasonable notice and during business hours.
5. The information listed above may be shared with SDG&E and/or the CPUC for Program purposes and will not be used for any other purpose.
6. The selection, purchase, and ownership of the Qualifying Products are the sole responsibility of Customer, and SDG&E makes no representations or warranties as to the safety, reliability, and/or efficiency of such products.
