

2018 Local RA RFP Q&A

Q1: What's the basis of the program? Existing systems and / or ones that will be commissioned by end of year? Are rental generators considered in this RFP?

A1: Any Resource that can qualify for Local(SDG&E-IV) Resource Adequacy for 2018 will be considered. For all participation criteria, please see the RFO protocols: <http://www.sdge.com/procurement/2018-local-resource-adequacy-solicitation>.

Q2: Did you just issue two separate RFP/RFOs at the same time? One for 2018 DRAM due April 10th? And a second for 2018 Local RA RFP due April 4th? Or are they the same thing?

A2: These are two separate solicitations to comply with two separate programs. The solicitations are provided below:
