

Percentage of Income Payment Plan (PIPP) Pilot Application

SDG&E® is offering a new way to save on your energy bill. The Percentage of Payment Income Plan (PIPP) is a four-year pilot program that sets a cap for electricity and natural gas service charges on your monthly bill. The PIPP Pilot is only available to 1,000 customers, based on household income, zip code and disconnection history.

Customer Eligibility:

To qualify for the PIPP Pilot, an applicant must either:

1) Be currently enrolled in the California Alternate Rates for Energy (CARE) program AND reside in an eligible zip code. For a list of zip codes visit sdge.com/PIPP

OR

2) Be currently enrolled in the California Alternate Rates for Energy (CARE) program, AND have been disconnected two or more times, due to non-payment, between March 2019 and February 2020.

The amount of your PIPP bill cap will be determined by your household income level. The PIPP bill cap is a line-item discount applied to your current charges and does not include past due charges, taxes or fees.

To apply, an applicant

- Must have an SDG&E bill in your name
- Be the primary SDG&E account holder or the co-applicant
- Must be an active CARE customer
- Can be a Clean Energy Alliance or San Diego Community Power customer
- Must reside in eligible zip codes **–OR–** have been disconnected two or more times, due to non-payment between March 2019 and February 2020

Not eligible

- FERA customers
- Claimed on another person's income tax return other than your spouse
- NEM customers
- Master Metered customers & sub-metered tenants
- Direct Access customers
- Schedule E-SMOP customers
- Customers enrolled in another pilot program
- Applicant is not the primary account holder

- Your monthly bill cap amount will change each year or if your income changes
- You may be asked to verify the total gross income of everyone living in your home
- High energy use may result in removal from the PIPP Pilot
- You may unenroll from the PIPP Pilot at any time
