

Variable Speed Pool Pumps - \$200 rebate

Qualifying products (Rebate valid through 12/31/20 or earlier if allocated funds are no longer available)

Qualifying variable speed pool pump models must be Energy Star® certified, with a horsepower rating between 1 and 3 hp.

To obtain a rebate, the pool pump must be purchased through a participating retailer or distributor listed below.

Rebate will be applied as a markdown at the point of sale and SDG&E residential customer must sign program Terms & Conditions provided by the participating retailer or distributor.

Post purchase rebates are no longer available. Limit of one rebate per household.

Please see other Program Requirements in order to receive a pool pump rebate*
