*Please ask an EIC staff member about this configuration

Important information to consider:

- The Energy Innovation Center provides seminar tables, chairs and access to our filtered water hydration station.
- If you'd like to provide other beverages, food, or additional tables for food service please make arrangements with an approved caterer.
- Our default set-up is classroom style. Please note electrical outlets for seminar tables are ONLY compatible with this room set-up.
- Event organizers are expected to return the space used to its original condition. Please dispose of any extra materials, break down any boxes or shipping containers and place the items in waste/recycling bins.
- As a part of our commitment to sustainability, please encourage your guests to bring reusable bottles as we don't provide cups/utensils.

If you have questions, please contact us at 800-613-8970.
