

# Gas Service Providers

## Noncore Services

All SDG&E customers have the option of purchasing their natural gas from a gas service provider. Transportation of the customer's gas within Southern California will continue to be provided by SDG&E along with all gas safety related services.

This list of Noncore Gas Service Providers, who are serving noncore customers within SDG&E's service area, has been compiled and provided by SDG&E solely as a convenience to customers. Neither SDG&E nor the California Public Utilities Commission (CPUC) guarantee the financial stability or service quality of the Noncore Gas Service Providers listed herein. In addition, neither SDG&E nor any of its employees:

1. Recommends, endorses or represents any firm listed herein;
2. Makes any warranty or representation, express or implied, with respect to the accuracy, completeness, or usefulness of this information; or
3. Assumes any liability with respect to the use of, or for damages resulting from the use of, this information.
