

San Diego Gas & Electric Unit Cost Guide dated March 31, 2022
 In accordance with Attachment A to Decision D16-06-052, the Unit Cost Guide represents facilities generally required for interconnection. Unit Cost Guide is not binding for actual facility costs and is provided only for additional cost transparency and developer reference. For reference, Ft = Per Foot

Category 1 - 12/16kV 480 volt transformer - Includes 100' Sec. cable length

San Diego Gas & Electric

Item#	Equipment	2022 Unit Cost	Equipment
1	150kva & Sec. Cable(480/277V)	\$59,700	
2	300kva & Sec. Cable(120/208V)	\$61,600	
3	500kva & Sec. Cable(120/208V)	\$67,500	
4	750kva & Sec. Cable(480/277V)	\$74,000	
5	1000kva & Sec. Cable(480/277V)	\$126,100	
6	1500kva & Sec. Cable(480/277V)	\$133,400	
7	2500kva & Sec. Cable(480/277V) (Not Assumed with Fuse Cab)	\$152,100	

Category 2 - Overhead to underground (UG) - Set Pole and make up cable

San Diego Gas & Electric

Item#	Equipment	2022 Unit Cost	Equipment
1	Pri 2/0 AL Cable from New Pole 200'	\$54,900	Up to 2.5 MW
2	Pri 350 AL Cable from New Pole 200'	\$63,500	2.5MW - 6 MW
3	Pri 1000 AL Cable from New Pole 200'	\$68,600	6MW - 10 MW

Category 3 - Overhead (OH) Service

San Diego Gas & Electric

Item#	Equipment	2022 Unit Cost	Equipment
1	Pri 636 AL Conductor OH feed 200'	\$36,300	Up to 10 MW
2	New conductor extension	\$182 ft	

Category 4 - Underground to Underground - Cable with Terminators

San Diego Gas & Electric

Item#	Equipment	2022 Unit Cost	Equipment
1	Pri 2/0 AL Cable undg feed 200'	\$7,900	Up to 3 MW
2	Pri 350 AL Cable undg feed 200'	\$11,400	3MW - 6 MW
3	Pri 1000 AL Cable undg feed 200'	\$14,300	6 MW- 10 MW
4	New primary trench and conduit (ft) if IOU installs	\$562 ft	

5			
6			
7	New 1000 KCMIL AL cable and connections(ft)	\$72 ft	
8	New 2/0 AL cable and connections	\$40 ft	
Category 5 - Metering			
San Diego Gas & Electric			
Item#	Equipment	2022 Unit Cost	Equipment
1	Secondary Service Metering	\$9,200	
2	Primary Metering	\$15,900	
3			
Category 6 - Telemetry			
San Diego Gas & Electric			
Item#	Equipment	2022 Unit Cost	Equipment
1	Overhead SCADA switch	\$130,200	
2	New Padmount SCADA Switch	\$220,000	
3	Padmount Metering and Telemetry	\$19,300	
4			
5			
6			
7			
Category 7 - System Equipment			
San Diego Gas & Electric			
Item#	Equipment	2022 Unit Cost	Equipment
1	New Overhead Hook Stick	\$42,300	
2	New Padmount SCADA Switch	\$220,000	
3	New SCADA Polemount Capacitor 1200kVAR	\$77,900	
4	New Capacitor Padmount SCADA 1200kVAR	\$52,700	
5	New Voltage Regulator 200A	\$97,700	
6			
7	New Voltage Regulator 600A Padmount with two switches	\$618,900	
8			
9			
10	Overhead Reconductor (per foot)- Urban	\$269 ft	

11	Overhead Reconductor (Per Foot)- Rural	\$269 ft	
12	Overhead Reconductor (per foot) - Underground	\$99 ft	
13	New Steel Pole Line (per ft)	\$182 ft	
14	New Wood Pole Line (per ft)	\$170 ft	
15	OH fuse Cutout 12kV 3 phase	\$10,100	
16	Fuse Cabinet UG 3 phase	\$20,100	
17			
18			
19			
20			
21			
22			
23			
24	Substation LTC control setting change is more common than change-outout	\$26,000	
25			
26			
27	New Substation Circuit Breaker	\$472,000	
28	New 28MVA 69/12kV Transformer	\$2,797,000	
29	New 28MVA 138/12kV Transformer	\$2,819,000	
30	Quarter Section Switchgear	\$2,431,000	
31	Protection Review	\$1,300	
Note: For overall IOU line consistency, facilities not commonly used for SDG&E interconnection have been placed in gray
