

Multifamily Energy Efficiency Rebate (MFEER) Program

Energy efficiency can reduce energy use, conserve natural resources and help lower monthly energy bills. And now you can save even more on the purchase and installation of qualifying energy-efficient measures with rebates available through SDG&E's Multifamily Energy Efficiency Rebate Program.

Earn Incentives for Energy-Saving Improvements

The Multifamily Energy Efficiency Rebate Program is a residential program that promotes rebates for qualified energy-efficient improvements in apartment dwelling units, common areas of apartment and condominium complexes with two or more units, and common areas of mobile home parks.

Who is Eligible?

Eligible customers include property owners, managers and authorized agents of existing residential multifamily complexes with two or more dwellings.

What Products Qualify for Rebates?

There are more than 25 products that qualify for rebates through the Multifamily Energy Efficiency Rebate program, including:

- ▶ Attic and wall insulation
- ▶ Faucet aerators
- ▶ Clothes washers
- ▶ Natural gas furnaces
- ▶ Natural gas boilers
- ▶ Boiler controllers
- ▶ Water heaters
- ▶ Lighting fixtures

Equipment must meet the requirements listed in the application. For a complete list, please visit sdge.com/multifamilyrebate.

How Do I Apply?

There are two ways that you can apply for rebates through the Multifamily Energy Efficiency Rebate program:

- ▶ Visit sdge.com/multifamilyrebate and download a rebate application.
- ▶ Call SDG&E's Energy Information Center (EIC) at 1-800-644-6133 to have an application mailed directly to you.

We require customers to reserve rebate funds before purchasing and installing equipment. To find out if you qualify or to make a reservation, please contact SDG&E®.

What is the deadline for participation?

Equipment must be purchased and installed between January 1, 2010 and December 31, 2010. Please refer to the Multifamily Energy Efficiency Rebate Program Application available at sdge.com/multifamilyrebate for complete information.

Managing your energy use.

SDG&E is committed to creating ways to help our customers manage their energy use. To learn more about our energy-saving programs and services, visit sdge.com.
