<b>Notes:</b>														
1) The total rates presented reflect the UDC rates associated with service under Schedule TOU-DR, Schedule E-CARE, and the generation rates associated with Schedule EECC. In addition, they include the line-item discount and exemptions from the CARE surcharge, DWR Bond Charge, and Wildfire Nonbypassable Charge as identified in Schedule E-CARE. The UDC rate-by-rate components presented are associated with service under Schedule TOU-DR-LI as presented in the utility's tariff book.														
2) Unbundled customers are those who take generation from other providers, such as Direct Access (DA) or Community Choice Aggregation (CCA). Unbundled customers do not pay SDG&E's commodity rates. The Total Energy Charge for an unbundled customer includes UDC, WF-NBC, DWR-BC and Power Charge Indifference Adjustment (PCIA) rates. PCIA rates by vintage are included below. Please see Schedules DA-CRS or CCA-CRS for more information regarding PCIA rates.
