Hi Catherine,

We haven't received discovery in a while. We expect to receive more now that we've served our supplemental testimony.

We're going to mail you a CD of everything to date. Can you please send me your mailing address?

Thanks,

Parina,

Nice to see you again.

I'm assuming you will be making SDG&E's discovery in the EV application public per the request of the ALJ. Please include PG&E on that as well. I know Chris Warner has received some of the discovery from your attorney, but nothing recently. Thanks for your help.
