**BEFORE THE PUBLIC UTILITIES COMMISSION

Order Instituting Rulemaking to Continue  
Electric Integrated Resource Planning and  
Related Procurement Processes.

Rulemaking 20-05-003  
(Filed May 7, 2020)

**SAN DIEGO GAS & ELECTRIC COMPANY (U 902 E)  
UPDATED INFORMATION RELATED TO SEPTEMBER 1, 2020  
INDIVIDUAL INTEGRATED RESOURCE PLAN (PUBLIC VERSION)**

Pursuant to the Rules of Practice and Procedure of the California Public Utilities Commission (the “Commission”), and the direction provided in the *Administrative Law Judge’s Ruling Granting Motions to File Under Seal for Portions of Individual Integrated Resource Plans and Requiring Re-Filing of Certain Related Information* (“ALJ Ruling”) adopted in the above-referenced proceeding on September 23, 2021, San Diego Gas and Electric Company (“SDG&E”) submits this updated information related to its September 1, 2020 Individual Integrated Resource Plan (“Updated IIRP Information”).

The Updated IRP Information is attached in Appendix 1 and includes the following documents:

- sdge\_rdt\_38mmt\_preferred\_conforming\_na\_v5 (Public Version)
- sdge\_rdt\_46mmt\_preferred\_conforming\_na\_v5 (Public Version)

SDG&E previously provided the Updated IIRP Information to Commission staff on an informal basis. SDG&E requests confidential treatment of the Updated IIRP Information consistent with the treatment granted by the Commission in the ALJ Ruling, which notes that load-serving entities (“LSEs”) “may file the [updated] information under seal without the need

for an accompanying motion, since this ruling already addresses those underlying confidentiality motions.”<sup>1/</sup>

Respectfully submitted this 14<sup>th</sup> day of October, 2021.
