**Re: Energy Division Data Request**  
**Responses Due: October 15, 2018**

## DATA REQUESTS

Energy Division is requesting an illustrative rate for SDG&E proposed TOU-D rate in application A.17-12-011 as well as the current DR-SES rate. The illustrative rates should clearly describe the on-peak, off-peak, and Super off-peak hours and rates associated with each period.

### **SDG&E RESPONSE:**

Please see the illustrative rates in the table below.

Please note that SDG&E's proposed Schedule TOU-D is simply a modification to the name and applicability of its existing Schedule DR-SES. As such, the illustrative rates shown here for Schedule TOU-D are identical to those of Schedule DR-SES for both dates. SDG&E does not propose that any changes to the rate design accompany the name and applicability changes.
