| The total rates presented reflect the UDC rates associated with service under Schedule DT-RV and the generation rates associated with Schedules EECC and DWR-BC. The UDC rate by rate component presented is associated with service under Schedule DT-RV as presented in the utility's tariff book, which includes the TRAC rate component identified separately from the PPP rate component. |        |               |              |            |           |            |           |             |                               |                                 |                                |         |
